# ***Trumbull Continuing Education Summer Explorations 2024***

*We are proud of the quality of the Summer Explorations Program. In that regard, there are three areas of focus we continue to accelerate - academic progress, providing enrichment camps, and offering a wide variety of sport opportunities.*

*It is our hope that your child will find more than one summer camp experience that fosters a specific skill, interest, or hobby. We encourage you to take advantage of the experiences available for your child.*

*To ensure the success of Summer Explorations, we encourage students and parents to work with and support all school staff in meeting our program objectives. For it is only through our joint efforts in pursuing our common goals that increased student expectations will be achieved.*

*If you have any questions, please do not hesitate to contact any member of the Summer Explorations staff.*

*Sincerely,  
Trumbull Continuing Education*

*Dr. Martin J. Semmel, Superintendent  
Terry Buckingham, Site Leader  
Christine Marr, Administrative Coordinator*

This program includes 15, two-hour online classroom sessions with one makeup classroom at the end. The parent/student mandatory program must be attended by one parent or a legal guardian and the student together. The parent/student program must be attended on the evening assigned as there is no makeup for this class. Students are ONLY allowed to miss one class with make-up. Any other missed classes will disqualify the student from obtaining a completion certificate. Students who register through Trumbull Continuing Education will receive the on-road driving portion at a discounted rate from Knepler Driving Schools.
