March 2010

Dear Parents and Students:

Trumbull is very proud of the quality of its Summer Explorations Program. Three key areas of focus are emphasized: accelerating academic progress; providing enrichment opportunities; and offering student review/remediation programs.

To insure the success of Summer Explorations, we encourage students and parents to work with and support all school staff in meeting our program objectives. For it is only through our joint efforts in pursuing our common goals that increased student expectations will be achieved.

We ask that you review this pamphlet as it provides specific information about our summer program. We encourage you to take advantage of the opportunities available to your children. With your assistance and reinforcement, in conjunction with the skills and expertise of our staff, we are confident you will be impressed with the resultant accomplishments.

If you have any questions, please do not hesitate to contact any member of the Summer Explorations staff.

Sincerely,  
*Ralph M. Iassogna*

Welcome to the world of Summer Explorations! We are offering a variety of innovative courses, each with a specific focus, for the enrichment and encouragement of our students.

The strength of our Summer Explorations lies in the dedication of certified teachers. Courses can only be offered if enrollment is sufficient. That's where you come in, Summer Explorations will only fly if you support the program. The Trumbull Continuing Education staff members are energetically working to create a dynamic summer experience for your child.

*Come join us!*

Bob DeCerbo, Director of Continuing Education  
 Terry Buckingham, Elementary Site Leader, Frenchtown Elementary  
 Thomas Martin, Secondary Site Leader, Trumbull High School

### **GIRLS BASKETBALL**

*Grs. 1 - 9*

*Instructor: Steve Tobitsch*

The objective of the Camp is to teach and develop skills and knowledge of the game as well as to stress priorities towards family, school and athletics. The school features: 2 gyms, three full courts with 16 baskets. Girls will be grouped according to ability.

**Dates: July 26 - July 30**

<b>GIRL01</b>	<b>Grades 1 - 5</b>	<b>8:30AM - 11:30AM</b>		<b>\$135</b>
<b>GIRL02</b>	<b>Grades 6 - 9</b>	<b>12:00PM - 3:00PM</b>		<b>\$135</b>

**Location: Madison Middle School**

### **MARTIAL ARTS**

*Grs. 1 - 6*

*Instructors: Steve & Jeremy Stollman*

The Martial Arts Camp is based upon the style of "Shaolin Kempo Karate" a blend of Chinese Kempo and Shaolin Kung Fu. Students will be exposed to the basic techniques of self defense in a program that stresses discipline, exercise and respect by utilizing positive reinforcement techniques.

**KARATE July 26 - July 30 8:30AM - 11:30AM \$155**

**Location: Madison Middle School**

### **VOLLEYBALL**

*Grs. 7 - 12*

*Instructor: Nelson Kwok*

This camp is an organized program for boys and girls from beginner to advanced players. Campers will learn the basic fundamental skills of volleyball. Athletes will learn how to pass, set, spike, dig and serve. Progressive drills and mini-games will be used to help give athletes a good understanding of volleyball. Recommended items: ample water, shoes with indoor soles(not tennis shoes) and volleyball-specific knee pads.

**Dates: August 2 - August 6**

<b>VOL01</b>	<b>Grades 7 - 9</b>	<b>9:30AM - 11:30AM</b>		<b>\$140</b>
<b>VOL02</b>	<b>Grades 10 - 12</b>	<b>12:00PM - 3:00PM</b>		<b>\$170</b>

**Location: Madison Middle School**

# GENERAL INFORMATION

**When selecting a program, students should sign up according to grade completed in the 2009-2010 school year.**

### Telephone Numbers:

Terry Buckingham (Site Leader Frenchtown) before July 6: 203-452-4337

Frenchtown School: 203-452-4227

Madison Middle School after June 24: 203-452-4497

### Registration:

All registrations are processed in the order received. NO confirmations will be made. Registration may be completed in four ways:

#### Walk In

At the Continuing Education Office located in Trumbull High School. Monday thru Thursday 8:00-12:00Noon.

#### By Mail:

Two courses may be listed per form. If you are signing up for more than two courses, attach a second form. Photocopying is OK. Include: Check(s) or money order. One check may be used to pay for more than one student.

#### On Line:

[www.trumbullconted.org](http://www.trumbullconted.org)

#### Fax:

203-452-4595

#### Fees:

Tuition fees vary with program and courses, no refunds will be made after the opening day of the class.

#### Transportation:

Is available only for 4 week classes held at Frenchtown School-round trip or one way \$100.00 for 4 weeks. Pick up will be at Hillcrest Middle School and Madison Middle School only. Contact Dawn Perkins at transportation for specific information 203-452-4323.

## TRUMBULL LOVES CHILDREN

Trumbull Loves Children will run a half day camp "Afternoon Explorers" from 12:00 Noon to 6:00PM at the Frenchtown site for those children who will need care after the Summer Explorations program. For further information on TLC, call 203-452-9626

## SPECIAL EDUCATION

**Grs. Preschool - 12**

Special education programs are provided in accordance with the child's need for an "Extended School Year" (ESY), as specified in his or her Individualized Education Program (IEP). When so designated in the IEP, the child will be enrolled in appropriate programs at no cost to the parents. For further details, contact your building Pupil Services Representative or call Rebecca Cavallaro at 203-452-4352.

## TENNIS

**Grs. 1 - 6**

*Instructor: Marcy's Tennis Academy.*

Each student will learn the forehand, backhand, volley, overhead smash, and serve. Basic rules and match play will be introduced. The student is required to bring a tennis racket, water and a snack. Junior tennis rackets are available for purchase for \$25 each. Please call Marcy's Tennis Academy at (203) 268-5357 to pre-order a tennis racket. Students will be grouped according to ability in every session.

**TEN1 July 12- July 16 9:30AM - 12:00 Noon \$190**

**TEN2 July 19 - July 23**

**Location: Trumbull High School Tennis Courts**

## BASEBALL

**Grs. 4 - 8**

*Instructor: Phil Pacelli*

The objective of the Camp is to teach and develop skills and knowledge of the game as well as to stress sportsmanship. The school features three fields, new equipment, pitching machines, helmets, and batting cages. Each camper will receive a T-shirt and prizes will be awarded in various categories.

**BASE1 July 19 - July 23 8:30AM - 12:30PM \$135**

**Location: Trumbull High School Field**

## TRUMBULL EAGLE 'TOP TEN' WRESTLING CAMP Grs. 3 -12

*Instructors: Charlie Anderson and Niko Filokopakis*

Ever wonder what makes some of the states wrestling teams so good year in and year out? This camp will answer those questions. Each day we will bring in a coach from one of the top wrestling programs in Connecticut. They will discuss their philosophy of training, wrestling, and show some of their signature techniques. Want to get better? Learn from the best.

**WREST1 July 19 - 23 8:30AM - 3:30PM \$175**

**WREST2 July 19-23 8:30AM - 11:30AM \$95**

**Location: Madison Middle School**

## FIELD HOCKEY

**Grs. 5 - 9**

*Instructor: Christie Kania*

The camp will be instructed by members of the Trumbull High School field hockey coaching staff. The objective of the camp is to teach and develop basic skills and knowledge of the game as well as to stress sportsmanship and teamwork. Players will need to provide their own equipment (sticks, shin guards, mouth guard).

**FIELDH July 26 - July 30 8:30AM - 12:00 Noon \$135**

**Location: Trumbull High School Field**

## SPORT CAMPS

### KICKING AND PUNTING

Grs. 5 - 12

*Instructor: Matt Nuzie was an All-State performer at Trumbull High School and went on to kick for the University of Connecticut. At UConn, Matt set every major kicking record and he is the all time leading scorer in school history. Matt was an All-Big East selection.*

Each camper will learn fundamentals, techniques and strategies for kicking and punting a football. Campers will also learn drills and workout programs for in season and out of season. Campers will learn how to compete in game like situations.

**Dates: June 28 - July 1**

**KICK Grades 5 - 12 9:00AM - 12:00 Noon \$200**

**Location: Trumbull High School**

### LACROSSE - PREMIER PLAYERS

Grs. 2 -12

*This camp is directed by Jeff Goldberg head coach at Saint Andrews School in Boca Raton, Florida in cooperation with head coach of Trumbull High School, Scott Zinser.*

Premier Lacrosse will conduct a full day camp for boys and girls. Techniques in throwing, catching, shooting, stickhandling, and dodging will be emphasized.

For more information contact Mrs.Riccio at (203) 378-6311 or Jeff Goldberg jeff@premierplayerslacrosse.com

**PREMIER June 28 - July 1 9:00AM - 3:00PM \$325**

**Location: Trumbull High School Field**

### BOYS BASKETBALL

Grs. 1 - 9

*Instructor: Coach Buddy Bray*

The objective of the Camp is to teach and develop skills and knowledge of the game as well as to stress priorities towards family, school and athletics. The school features: 2 gyms, three full courts with 16 baskets, and a shooting machine. Eight foot baskets will be used for Grades 1-2. Awards will be given.

**Dates: June 28 - July 1**

**BALL01 Grades 1 - 4 8:30AM - 11:30AM \$95**

**BALL02 Grades 5 - 9 12:00 Noon - 3:00PM \$95**

**Dates: July 6 - July 9**

**BALL03 Grades 1 - 4 8:30AM - 11:30AM \$95**

**BALL04 Grades 5 - 9 12:00 Noon - 3:00PM \$95**

**NEW:** All day camp. Campers will need to bring a lunch. Guest speaker on Shooting-Todd Manuel, Assistant Boys Basketball Coach THS and former professional player and college All American.

**Dates: July 12 - July16**

**BALL05 Grades 1 - 9 9:00AM - 3:00PM \$175**

**Location: Madison Middle School**

## EARLY CHILDHOOD

### EL00 PRESCHOOL

Ages 3 - 4

Are you looking for enrichment activities for your preschool aged child? Come join us for fun filled activities centered around animal themes; farm animals, zoo animals, ocean animals and family pets. "Hands on" activities, arts and crafts projects, field trips and more will foster developmentally appropriate skills in all domains - intellectual, social, emotional, and physical.

**July 6 - July 30**

**9:00AM - 12:00 Noon**

**\$425**

**TECEC**

**Middlebrooks Ave.**

### EL01 PRE-KINDERGARTEN - READY, SET, GO!

Children excited about those first steps into kindergarten will gradually ease into a school setting in this class. Intellectual, physical, and socio-emotional growth are emphasized through "hands-on" activities. Each child will be encouraged to explore their own talents through music, art, movement, language expression, and other interdisciplinary areas.

**Students must be enrolled to start Kindergarten in September 2010.**

**July 6 - July 30**

**8:30AM - 12:00 Noon**

**\$450**

**Frenchtown School**

### EL02 POST-KINDERGARTEN- UP, UP AND AWAY!

Children who have completed kindergarten and would benefit from activities that strengthen their skills physically, socially, and intellectually are encouraged to enroll. Oral language skills and phonological awareness will be emphasized. The summer school teacher will provide follow-up on recommended goals set by the child's previous teacher.

**July 6 - July 30**

**8:30AM - 12:00 Noon**

**\$450**

**Frenchtown School**

### ENGLISH LANGUAGE LEARNERS

Grs. K - 12

Children will learn conversational language and vocabulary to enhance the school experience. Knowledge of letter names, sounds, and rhymes will be covered in this course.

(Available only to ELL students - no fee)

**July 6 - July 30**

**8:30AM - 12:00 Noon**

**EL03 Pre K**

**EL04 Post K**

**EL05 Grs. 1 - 2**

**EL06 Grs. 3 - 5**

**Classes for Grs. K - 5 held at Frenchtown School**

**EL07 Grs. 6 - 8**

**EL08 Grs. 9 - 12**

**Classes for Grs. 6 - 12 held at Madison Middle School**

# ELEMENTARY

**JULY 6 - July 30**

**8:30AM - 12:00 Noon**

**FRENCHTOWN ELEMENTARY SCHOOL**

**Tuition is \$450 for the entire program.**

## CHOOSE ONE COURSE FROM THIS SECTION 8:30AM - 10:00AM

### **EL09 ART ADVENTURES**

**Grs. K - 2**

A variety of arts and crafts activities will be explored including different media. Students will have the opportunity to complete several "hands-on" projects.

**Lab fee: \$25.00 Limited enrollment**

### **EL10 FUNGINEERING**

**Grs. K - 2**

Young budding engineers love this "hands-on, minds-on" program. Concepts of force and motions are explored with building projects such as balloon cars and air rockets. Lego lovers will love this even more when we investigate simple mechanisms such as wheels and axles, gears etc by building and creating our own contraptions with Lego® electric motors and Lego® Technic parts.

**Lab fe:\$25.00. Limited enrollment.**

### **EL11 HEALTHY LIVING WORKSHOP**

**Grs. K - 2**

Summer School Sports is a class designed to teach students the importance of a healthy lifestyle. Students will learn how to stretch and exercise properly, as well as learn about the human body and how it is affected by exercise and nutrition. They will also have the opportunity to play various sports, learning the specific skills and rules involed. Self-esteem building and conflict resolution will also be a focus of the class.

### **EL12 FARMING FOR FUN**

**Grs. K - 5**

Experience the animals and their care by spending time at the Agriscience Farm at Trumbull High School. NOTE: Children in the 8:30 session must be dropped off by parents at the farm and will be transported by bus back to Frenchtown for their 2nd session.

**Limited enrollment.**

### **EL13 PASSPORT PALS**

**Grs. 1 - 2**

Take a trip around the world in 20 days! Children will "travel" throughout the United States, Europe, Asia, and South America. We'll discover the traditions of other countries, their foods, and their languages. Get your passport ready! We're going on an exciting adventure across the globe! Get your suitcases ready and don't forget your camera.

### **EL14 MAGIC TREE HOUSE EXPLORATIONS**

**Grs. 2 - 3**

Using the Magic Tree House chapter books, children will explore and learn about many interesting topics. Topics will include the Titanic, the Olympics, Mummies, the Vikings, and many more. Children will read, research, and create projects based on these topics.

## **VIDEO ANIMATION GAMING**

**Grs. 3 - 6**

*Instructor: Computers Explorers*

Students will be using the software program 'Scratch' developed by MIT Media Institute to create animation, music videos, Pac man like video games and more. Creations from this class along with a copy of this software will be sent home so students can continue to have fun!

**VIDEO July 26 - 30**

**8:30AM-12:00Noon**

**\$190**

**Location: Madison Middle School**

## **DANCE, DANCE, DANCE!!**

**Grs. 1 - 8**

*Instructor: Katie Laird*

What do music, movement, and fun have in common? They are all an integral part of this beginner's dance camp! The dance camp will be composed of learning various dance styles including ballet, jazz, musical theatre, hip hop, and even some tap. Students will learn fun combinations and practice to perform their routine at the end of the week. Students will also learn how to stretch properly before and at the end of the dance class. No previous studio dance experience is required, only encouraged. Students should dress comfortably and bring dance shoes or sneakers.

**DANCE1 Grs. 4 - 8**

**July 26 - 30**

**8:30AM - 12:00Noon \$150**

**DANCE2 Grs. 1 - 3**

**August 2 - 6**

**8:30AM - 12:00Noon \$150**

**Location: Madison Middle School**

## **MAGIC**

**Grs. 2 - 8**

*Instructor: Nick Moriello*

Students will learn classic card and coin techniques and slight of hand. The camp will cover tricks with rope and how to do magic with objects you have available around the home. No need for expensive magic kits or illusions-learn how to have fun and entertain friends.

**MAGIC1 Grs. 2 - 5**

**August 2 - 6**

**9:00AM - 10:00AM \$95**

**MAGIC2 Grs. 6 - 8**

**August 2 - 6**

**10:30AM - 11:30AM \$95**

**Location: Madison Middle School**

## **ROBOTICS**

**Grs. 3 - 6**

*Instructor: Computers Explorers*

With the Lego® WeDo Robotics System, young children can build and program their own robotic creations from hovercraft to robotic soccer legs and more. Designed by the experts at MIT Media Lab, this unique system teaches children about simple machines, engineering, computer programming and so much more. Young imaginations soar!

**ROBO August 2 - 6**

**8:30Am - 12:00 Noon**

**\$190**

**Location: Madison Middle School**

---

## GUITAR

Grs. 5 - 12

Instructor: Thom Pytel

This course will serve as an introduction to guitar playing basics. Basic chords, strumming, and song playing will all be covered. Intermediate and advanced players are welcome as well. Campers must supply their own acoustic guitars or electric guitars with small portable amplifiers.

**GUITAR July 12 - July 16 9:00AM - 10:30AM \$85**

**Location: Madison Middle School**

---

## DRAWING AND PAINTING

Grs. 6 - 8

Instructor: Kathleen Durand

If you love to draw and paint, then this is the class for you. During this week long session hang out with other artists your age and create unique works of art. You will be using colored pencils, markers, watercolor and tempera paints and be inspired by nature, still life, famous artists and your imagination!

**Lab fee \$10.00.**

**DRAW July 12 - 16 8:30AM - 12:00Noon \$150**

**Location: Madison Middle School**

---

## NATURALISTS AROUND THE WORLD

Grs. 1 - 3

Instructor: Steffanie Elkins

Explore the world around you during this fun filled week of nature adventures. We will learn about bugs, birds, reptiles, amphibians and the role they play in our environment through observation and exploration.

**NATURE July 12 - July 16 8:30AM - 12:00Noon \$150**

**Location: Frenchtown**

---

## WEB DESIGN

Grs. 5 - 8

Instructor: Jordan Miller

If you want to learn to publish your own Web site — learn how to add content, images, navigation, links, tables, sound, pop-ups, and image maps — then this is the camp for you. Using Macromedia's Dreamweaver MX®, an industry-standard Web authoring tool, you will complete a series of guided Web design projects. At the end of the week, you'll know all the essentials and have a good start on your own cool-looking Web site.

**WEB July 19 - July 23 8:30AM - 12:00 Noon \$185**

**Location: Madison Middle School**

---

## SCRAPBOOKING

Grs. 5 - 9

Instructors: Rebecca Giroux, and ShariAnn Cayer

In this course, students will learn and practice the basic techniques of scrapbooking photos. All of your favorite memories can be preserved forever! During the week, various scrapbooking techniques will be demonstrated. There will also be samples available for viewing. Students will construct pages throughout the week using their own photos. Each student is required to supply their own photos (approximately 50 for the week). Scrapbook paper, tools, and other supplies are provided, but students can bring in their own scrapbooking supplies in addition. A 12" by 12" top-loading scrapbook is recommended for the class, but not required.

**SCRAP July 19 - July 23 9:00 AM - 11:00 AM \$100**

**Location: Madison Middle School**

---

## ELI5 WRITE ON

Grs. 2 -3

During the first two weeks of this class, students will learn how to improve their writing through various creative and engaging mini-lessons focusing on punctuation, colorful adjectives and strong verbs. Students will take their stories through the writing process straight to publication. The following two weeks the students will apply all they have learned about being descriptive and have fun reading, writing, and illustrating different types of poetry such as Haiku poems, Cinquain and Acrostic poems. Students will leave this class with a love for writing, poetry and a creative collection of pieces.

---

## ELI6 PET CARE

Grs. 2 - 5

Do you have a part in taking care of your pet? Are you thinking of getting a pet? Learn more about all kinds of pets and how to take care of them. Read stories about different types of pets and create a book on caring for more than 10 different types of pets! Different pets are often in the class, so children with allergies may want to avoid this course.

---

## ELI7 YOUNG SCIENTISTS

Grs. 3 - 5

Discover the fascinating world of science! This class will focus on four units of study: weather, space, nature, and kitchen chemistry. Students will be involved in exciting activities and will be conducting "hands-on" experiments related to each unit.

---

## ELI8 CREATIVE COOKING

Grs. 3 - 5

The best part of this course is eating the results! Children experience a variety of regional and international dishes, along with theme days created by the students. The students learn how to cook simple meals, and clean up. Students learn how to read ingredients and how to measure liquid and dry ingredients and enjoy literature related to what they are cooking.

**Lab fee \$25.00 Limited enrollment**

---

## ELI9 BASICS OF NEWS BROADCASTS

Grs. 3 - 5

Learn how news broadcasts are put together. Students will learn to use video cameras, a mixing board, work with a teleprompter, special lighting, applying music for effect, and the use of multimedia presentations in producing a ½ hour news segment. Students will compile information and produce the show that will be broadcast live to all who attend.

**Lab fee \$10.00 Limited enrollment.**

---

## ELI20 SCRAPBOOKING AND DIGITAL PHOTO

Grs. 3 -5

This art offering is for older students who will focus on bringing together digital photography with the design of a scrapbook. Students will learn about cutting technique, color scheme, as well as picture cropping and placement. Students will concentrate on a working theme for their book of memories.

**Lab Fee \$15.00**

**CHOOSE ONE COURSE FROM THIS SECTION 10:15AM - 12:00 NOON**

**ELI21 DINOSAURIUM**

**Grs. K - 2**

Go back in time to when dinosaurs roamed the earth and ruled the planet. Find out about all kinds of dinosaurs and their habits by reading, creating art, poetry and other hands-on projects.

**ELI22 SUPER SUMMER SCIENCE**

**Grs. K - 2**

Our summer scientists will investigate through "hands-on" experiments the elements of color, air, and weather. Travelling to the Solar System, we'll learn about the planets, the moon, and many constellations. We'll also dive into the ocean to explore this fascinating habitat. Students will keep a science journal to record the many activities in class.

**ELI23 ANIMAL ANTICS**

**Grs. K - 2**

Discover the wonderful world of animals. Learn about animals from all different regions around the world. Learn about their habitat and how each animal adapts to their environment. Discover the different characteristics of each animal by creating arts and crafts projects for each animal and participating in some science experiments. This class is perfect for all animal lovers.

**ELI24 FARMING FOR FUN**

**Grs. K - 5**

Experience the animals and their care by spending time at the Agriscience Farm at Trumbull High School. NOTE: Children in the 10:15 session will be transported by bus from Frenchtown and must be picked up by parents at the farm.

**Limited enrollment**

**ELI25 CREATIVE COOKING**

**Grs. 1 - 2**

The best part of this course is eating the results! Children experience a variety of regional and international dishes, along with theme days created by the students. The students learn how to cook simple meals, and clean up. Students learn how to read ingredients and how to measure liquid and dry ingredients and enjoy literature related to what they are cooking.

**Lab fee \$25.00 Limited enrollment**

**ELI26 READY SET TRAVEL**

**Grs. 3 - 5**

We're "travelling" the globe in four weeks discovering the wonders of many countries. Our tour will take us throughout the United States, "across the pond" to Europe, into Asia, and finally to South America before returning to Trumbull. Students will create their own passport for travel. Topics will include regional foods, languages, ceremonies, holidays, and culture. Pack your imaginary bags and get ready to jet set across the world this summer.

**SUMMER DRIVER EDUCATION**

You must be at least 16 years old, and a high school student in Trumbull. Learner permits and drivers test applications are available in "A" house office. Learners permit testing is by appointment only. The DMV will conduct "on site" testing monthly at Trumbull High School. For more information and application for summer driving class, please call Mr. Romano 452-4577.

**DRIVE July 6 - July 23**

**8:00AM - 10:00AM**

**\$475**

**Location: Madison Middle School**

**ENRICHMENT CAMPS**

**Class size is LIMITED for all camps. Register early!**

**MUSIC**

**Grs. 3 - 10**

*Instructor: Tom Whitmoyer*

Students are taught by certified music teachers. Instruction is offered on Strings, Woodwind, Brass and Percussion instruments at the Beginner, Intermediate, and Advanced levels. The curriculum includes String Orchestra, Symphony Orchestra, Concert Band, Jazz Ensemble, and Improvisation classes. Performance opportunities include solo and small ensembles, weekly recitals, and an evening concert program at the culmination of the camp. All beginner students must obtain an instrument before the first day of camp. Experienced students will be evaluated upon arrival, and placed in ensembles according to ability. Students must attend the entire three week camp session. For additional info, please email Mr. Whitmoyer at whitmoyt@trumbullps.org.

**BAND July 6 - July 23**

**8:00AM - 12:30PM**

**\$325**

**STRINGS July 6 - July 23**

**8:00AM - 12:30PM**

**\$325**

**Location: Madison Middle School**

**PIANO**

**Grs. 1 - 3**

*Instructor: Yulia Fedorov*

Piano camp is an opportunity for beginner pianists to learn the basics of music in a group setting. With no previous experience required, students will be introduced to the instrument and learn a repertoire of easy tunes. In addition, students will be exploring sound and vibration through instrument making. Each day, a different instrument will be discussed and created to take home and play!

**PIANO July 6 - July 9**

**10:00AM - 12:00 Noon**

**\$95**

**Location: Frenchtown**

**PET FIRST AID**

**Grs. 6 - 8**

*Instructor: Nicole Decker*

Does your child love animals? Do they have a dream of one day becoming a veterinarian? Why wait? Your child can learn techniques such as how to act in an emergency, checking vital signs, restraint, CPR, bandaging, and so much more! This course will meet for 2 weeks, 3 hours a day, and at the end of the course, your child will be certified in American Red Cross Pet First Aid. (20 hours needed for the certification)

**Lab fee \$15.**

**PET July 6 - July 16**

**9:00AM - 12:00 Noon**

**\$175**

**Location: VOAG**

# SAT PREP

**S.A.T** *Grs. 11 - 12*

These courses will prepare students for the new version of the S.A.T. English and Math.

## **S.A.T. ENGLISH**

*Instructor: Hope Spalla*

This course prepares students for the verbal section of the S.A.T. Included are tactics for doing sentence completion, grammar, usage, critical reading questions and emphasis on building vocabulary. Students will also learn how to write a well-developed essay which is a component of the new S.A.T.

## **S.A.T. MATH**

*Instructor: Brian Smith*

This course will prepare students for the new mathematics section of the S.A.T. Not only will students be given an initial assessment, but the course will focus on strategies and techniques to succeed with the new version. Students will also be exposed to practice problems, all in an effort to improve each students' confidence and score.

**SAT01 July 19 - July 23 7:45AM - 12:30PM \$450**

**Location: Madison Middle School**

# ACT PREP

**ACT** *Grs. 11 - 12*

These courses will prepare students for the ACT English, Math and Science

## **ACT ENGLISH**

*Instructor: Hope Spalla*

ACT English Prep will focus on reading comprehension, the conventions of standard written English, rhetorical skills and the optional essay component.

## **ACT MATH & SCIENCE**

*Instructor: Brian Smith*

ACT Math and Science Prep will focus on reasoning skills to solve practical problems in mathematics and problem-solving skills required in the natural sciences.

**ACT01 July 26 - July 30 7:45AM - 12:30PM \$450**

**Location: Madison Middle School**

## **FUTURE TEACHERS INTERN PROJECT** *Grs. 9 - 11*

This career/internship project provides students a work based learning, structured training and mentoring opportunity to study the teaching profession. By working directly with children enrolled in Summer Explorations, high school students acquire the knowledge and learning styles of elementary students. Students completing this 4 week program and submitting a portfolio of worksite activities will receive 1/2 credit.

**FUTURE July 6 - July 30 8:30AM - 12:00Noon \$150**

**Location: Frenchtown**

## **EL127 HEALTHY LIVING WORKSHOP** *Grs. 3 - 5*

Summer School Sports is a class designed to teach students the importance of a healthy lifestyle. Students will learn how to stretch and exercise properly, as well as learn about the human body and how it is affected by exercise and nutrition. They will also have the opportunity to play various sports, learning the specific skills and rules involved. Self-esteem building and conflict resolution will also be a focus of the class.

## **EL128 ART PALETTE** *Grs. 3 - 5*

This art offering for older students will focus on a particular medium each week, giving a more in depth understanding of artistic expression. Students will work with clay, paper mache, watercolor, and plaster printing.

**Lab fee: \$25.00 Limited enrollment**

## **EL 129 JUNIOR ENGINEERING & ROBOTICS** *Grs. 3 - 5*

This is an introduction to Lego® engineering and robotics which uses the STEM approach to enhance and foster learning thru Science, Technology, Engineering and Mathematics. The class explores construction techniques and concepts of kinetic and potential energy by building various Lego® vehicles. The classes accelerates fun into high speed as the children build RCX robots and use computer software to program the robots.

**Lab fee \$25.00. Limited enrollment.**

## **EL130 CHILDRENS MOVIE PRODUCTION** *Grs. 3 - 5*

Make a movie. Students will learn the proper use of a video camera. They will produce a movie that they will help edit using either I-Movie or Final Cut Studio on a MAC computer. They will learn how to direct, edit using transitions and effects, and add music for effect. The final production DVD will be premiered to all students attending the Summer Explorations at Frenchtown.

**Lab fee \$10.00. Limited enrollment.**

## **READING REVIEW** *Grs. 1 - 2*

This program is for academic support which focuses on strengthening reading skills for the child who has completed first or second grade, but may need extra support and review over the summer.

**Only those students presently participating in the Early Intervention Program may enroll. Recommendation must come from classroom teacher and reading specialist.**

**NOTE: EIP students may sign up for this course only (no busing).**

**July 6 - July 30 8:30AM - 10:00AM \$230**

**READ01 - GRADE 1**

**READ02 GRADE 2**

**Location: Frenchtown School**

## **TUTORING - INDIVIDUALIZED** *Gr.1*

Under the direction of a certified teacher and with trained college students, we are offering instruction in Math or Reading from 8:00AM - 8:30AM on every Tuesday, Wednesday, and Thursday.

**TUTOR-MATH July 6 - July 29 8:00AM - 8:30AM \$150**

**TUTOR-READ July 6 - July 29 8:00AM - 8:30AM \$150**

**Location: Frenchtown School**

# MIDDLE SCHOOL

**MAKE UP** courses are for students who have taken a course and have not completed it successfully. Students may only make up two courses per summer session.

**July 6 - July 30. Location: Madison Middle School**

Course	Subject	Grade	Time	Fee
MS-16	Math	6	7:45 - 10:00	\$290
MS-17	Math	7		
MS-18	Math	8
