# ***Trumbull Continuing Education Summer Explorations 2026***

*We are proud of the quality of the Summer Explorations Program. In that regard, there are three areas of focus we continue to accelerate - academic progress, providing enrichment camps, and offering a wide variety of sport opportunities.*

*It is our hope that your child will find more than one summer camp experience that fosters a specific skill, interest, or hobby. We encourage you to take advantage of the experiences available for your child.*

*To ensure the success of Summer Explorations, we encourage students and parents to work with and support all school staff in meeting our program objectives. For it is only through our joint efforts in pursuing our common goals that increased student expectations will be achieved.*

*If you have any questions, please do not hesitate to contact any member of the Summer Explorations staff.*

*Sincerely,  
Trumbull Continuing Education*

^We're excited to share a new format for Basketball Camp this summer! All four weeks will feature a coed morning session for students in grades 3–5, creating an inclusive and energetic environment for skill development and teamwork. In the afternoons, boys in grades 6–9 will have a dedicated session focused on advancing skills, game strategy, and competitive play. This updated structure allows us to better tailor instruction to each age group while fostering a dynamic camp experience.

\* *NO camp on July 3. Price adjusted for shortened week*  
Location: THS Gym

**FIELD HOCKEY Elizabeth Capobianco**

The camp will be instructed by members of the Trumbull High School Field Hockey coaching staff and supported by current THS players. Camp is open to players grades 1-8. No experience necessary. Players will be grouped according to ability level but will have the opportunity to interact with all campers. The objective of the camp is to teach and refine skills and knowledge of the game as well as to stress sportsmanship, teamwork, and game play. Players will need to provide their own equipment (sticks, shin guards, mouth guard, water, sunblock). We do have a limited number of sticks available for new players to borrow for the week.

### **CROSS COUNTRY CAMP Jim McCaffrey**

*Instructor:* Do you like to run? Well, Cross Country is for you! This camp is all about introducing you to distance running in a manner that is fun and inclusive of all abilities. Each day will start with a full camp game, followed by some basic strengthening and form exercises. Then campers will be broken up into age appropriate/ ability appropriate groups for the daily run. We will all come back together at the end for stretching. The final day of camp will feature a Cross Country Race with tons of age and gender prizes. Come and learn from the experienced instructor and his group of runners who are ranked among the top in the State of Connecticut and the New England region.

**SC14 July 13 - July 17 9:00AM - 12:00PM Grs. 2 - 8 (grade entering) \$250**

**Location: THS: Cross Country Camp will meet by the shed near the throwing pits**

### **TRACK AND FIELD CAMP Katelyn Romanchick**

Like to run around? To jump? To see how fast you can go? This camp is all about an introduction to track and field for beginners and those who have already tried some of the events on their own. You will learn about the throwing events, the jumping events, and the sprinting/ running event, from the experienced instructors and the High School volunteer coaches (all of whom are members of THS T&F Team). Campers will come away with an idea of the basics of the sport, do some training, and have a chance to participate in some fun competition. The week concludes with a camp-wide Track and Field Olympics on Friday, complete with awards for all ages and abilities.

**SC15 July 20 - July 24 9:00AM - 12:00PM Grs. 2 - 8 (grade entering) \$250**
