# Trumbull Continuing Education Summer Explorations 2023

We are proud of the quality of the Summer Explorations Program. The three areas of focus continue to be accelerating academic progress, providing enrichment camps, and offering a wide variety of sport opportunities.

It is our hope that your child will find more than one summer camp experience that fosters a specific skill, interest, or hobby. We encourage you to take advantage of the experiences available for your child.

To ensure the success of Summer Explorations, we encourage students and parents to work with and support all school staff in meeting our program objectives. For it is only through our joint efforts in pursuing our common goals that increased student expectations will be achieved.

If you have any questions, please do not hesitate to contact any member of the Summer Explorations staff.

Sincerely,  
Trumbull Continuing Education

**USE GRADE COMPLETED IN 2022 - 2023 TO SELECT PROGRAM**

**EL04 ART-RAGEOUS FUN Deb Dean****Grs. 3-5**

Art filled weeks designed around an exciting theme. Creative exploration - going beyond paint, sculpting, making puppets and masks or building with recycled materials. A variety of supplies for creating projects to refresh a skill or learn something new. Each week a different theme - rainforest or underwater for example, with something for everyone.

**EL05 COMMIT TO BE FIT! Craig Dwelle****Grs. 3-5**

This course will consist of physical activities and games that will focus on key components of fitness that students learn in Physical Education throughout the school year (cardiorespiratory endurance, muscular strength, muscular endurance, and flexibility). Activities may include Run for the Money, Top Ten, Plank Race, V-up Tag, Flexibility Tic-Tac-Toe, and Superhero Fitness Tag just to name a few. Children will also work towards improving their teamwork, cooperation and communication skills. Be prepared to have a good time and improve your physical fitness!

**EL06 MOVE YOUR BODY, GROW YOUR BRAIN, FUN WITH FOUNDATIONS Christine Joyce****Grs. 2-3**

Join Ms. Joyce for fun with phonics. Enjoy lively movement breaks and exercise. Science driven data shows that children who move their bodies develop stronger minds for learning. Fast paced with laughter and movement built into Foundations to help increase memory and a love of learning.

**EL07 CREATIVE COOKING Dana Romano****Grs. K-5**

Have you ever wanted to eat around the world? Join Mrs. Romano in a cooking trip that will have your tastebuds wanting more! We will have a different theme each week. Along with the themes are literature and fun activities. Students will be making easy recipes. Students will learn to measure ingredients, mixing, chopping, decorating, and most importantly, they will get to taste their creation.

**10:15AM - 12:00PM**

**EL101 KINDNESS CLUB Kristen Beccaria****Grs. K-3**

Do you enjoy helping people and making them smile? If yes, then join the Kindness Club to promote kindness in your home and community. "Kindness is contagious" and we will work together to brighten people's days with simple and thoughtful projects. Remember, it's Cool to be Kind and it's fun too!

**EL102 LET THE GAMES BEGIN Craig Dwelle****Grs. K-2**

This course will consist of physical activities and games that will keep your child moving while having fun. Activities may include Crab Soccer, Castle Ball, Pirate Ball, Monster Ball, Star Wars Tag, Star Wars Ships, and Mission Impossible just to name a few. Children will also work towards improving their teamwork, cooperation, and communication skills. Be prepared to have a good time and show your team spirit!

**EL103 PLAY THROUGH ART Deb Dean****Grs. K-2**

Art through games and imagination! This class guides children through a world of artistic wonder. It will encourage their brilliant imaginations and help them develop their own unique style and masterpieces. Children use a variety of materials, building, sculpting, weaving, painting, and more. All projects inspired by stories, music, movement, and technology.

**EL104 MOVE YOUR BODY, GROW YOUR BRAIN, FUN WITH FOUNDATIONS Christine Joyce****Grs. K-1**

Join Ms. Joyce for fun with phonics. Enjoy lively movement breaks and exercise. Science driven data shows that children who move their bodies develop stronger minds for learning. Fast paced with laughter and movement built into Foundations to help increase memory and a love of learning.

**EL105 CREATIVE COOKING Dana Romano****Grs. K-5**

Have you ever wanted to eat around the world? Join Mrs. Romano in a cooking trip that will have your tastebuds wanting more! We will have a different theme each week. Along with the themes are literature and fun activities. Students will be making easy recipes. Students will learn to measure ingredients, mixing, chopping, decorating, and most importantly, they will get to taste their creation.

**EL106 LOVING LITERATURE Lindsey Carley****Grs. 3-5**

This class is perfect for all levels of readers from reluctant to avid! If you want to read some of the best literature and have fun doing it, this is the class for you! The Library Media Specialist from Frenchtown will expose your students to award-winning authors, encourage them to dive deeper into the meaning of each book, as well as create digital presentations to share their love of literature. Some authors include Dav Pilkey (Author of Dog Man), Chris Van Allsburg (Author of Jumanji), Patricia Polacco (Author of Thunder Cake), and Roald Dahl (Author of Charlie and the Chocolate Factory). Students will also learn digital literacy skills with Flipgrid, Google Slides, Canva, Peardeck, and so much more!

**EL107 CONSTRUCTION ZONE Anthony Artese****Grs. K-2**

If you like to make, build and create then join us at the construction zone! Come assemble, build and construct different things every day. This summer, we will build and create with cardboard, clay, wood and other materials to make fun and creative projects. All projects will be teacher-led and guided with student-safe materials.
