# ***Trumbull Continuing Education Summer Explorations 2018***

*We are proud of the quality of the Summer Explorations Program. The three areas of focus continue to be accelerating academic progress, providing enrichment camps, and offering a wide variety of sport opportunities.*

*It is our hope that your child will find more than one summer camp experience that fosters a specific skill, interest, or hobby. We encourage you to take advantage of the experiences available for your child.*

*To ensure the success of Summer Explorations, we encourage students and parents to work with and support all school staff in meeting our program objectives. For it is only through our joint efforts in pursuing our common goals that increased student expectations will be achieved.*

*If you have any questions, please do not hesitate to contact any member of the Summer Explorations staff.*

*Sincerely,  
Trumbull Continuing Education*

*Dr. Gary Cialfi, Superintendent  
Cheryl Gould, Administrative Secretary  
Terry Buckingham, Site Leader*

*Board of Education -*

*Loretta Chory, Chairman  
Lucinda Timpanelli, Vice Chairman  
Jackie Norcel, Secretary  
Jeffrey M. Donofrio, Board Member  
Kathleen Fearon, Ph.D, DVM, Board Member  
Marie Petitti, Board Member  
Michael Ward, Board Member*

## General Information

When selecting a program, students should sign up according to **GRADE COMPLETED** in the 2017-2018 school year.

**ENROLLMENTS ARE LIMITED  
REGISTER EARLY**

### TELEPHONE NUMBERS:

Trumbull Continuing Education Office  
203-452-4554

Terry Buckingham, Site Leader  
TBucking@trumbullps.org, after  
June 29th at 203-452-4227

### REGISTRATION:

#### On Line:

www.trumbullconted.org  
Confirmation is emailed to you upon completion.

#### By Mail:

Fill out registration and mail with check or money order. One check may be used to pay for more than one student.

#### Walk In:

At the Continuing Education Office located in Trumbull High School

#### Fax:

203-452-4595

### SCHOOL LOCATION CODES:

AGRI - Agriscience  
FT - Frenchtown School  
TECEC - Trumbull Early Childhood  
Education Center  
THS - Trumbull High School

### SPECIAL EDUCATION

#### Pre-School - Grade 12

Special education programs are provided in accordance with the child's need for an "Extended School Year" (ESY), as specified in his or her Individualized Education Program (IEP). When so designated in the IEP, the child will be enrolled in appropriate programs at no cost to the parents. For further details, contact your building Pupil Services Representative or call PPS at 203-452-4352.

### TRUMBULL LOVES CHILDREN

Trumbull Loves Children will run a half day camp "Afternoon Explorers" from 12:00 Noon to 6:00 PM at the Frenchtown site for those children who will need care after the Summer Explorations program. For further information on TLC, call 203-452-9626.

### SUMMER DRIVER EDUCATION PROGRAM

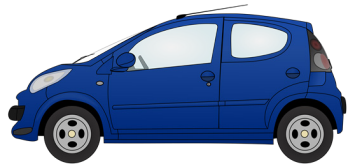

Trumbull High School offers a comprehensive Driver Education Program.

- This program consists of 30 hours classroom instruction, includes 8 hours of safe driving practices, 8 hours of on the road training, and a mandatory 2 hour parent training workshop. Students must be 16 years of age prior to the start of the classes.
- On the road training is by appointment.
- The Driver's License road test is available at THS. Available test dates and registration forms are outside the Drivers Ed Office. Register early!

Any questions please call:

- George Romano at 203-452-4577

July 2 - July 23 8:00AM - 10:00AM  
Location: THS

## EARLY CHILDHOOD

### **EL01 PRE-SCHOOL**

*Ages 3 - 4*

Are you looking for enrichment activities for your preschool aged child? Come join us for fun filled activities centered around animal themes; farm animals, zoo animals, ocean animals and family pets. "Hands on" activities, arts and crafts projects, and more will foster developmentally appropriate skills in all domains - intellectual, social, emotional, and physical.

July 2 - July 27

9:00AM - 12:00 PM

\$525

Location: TECEC

### **EL02 PRE-KINDERGARTEN - READY, SET, GO!**

Children excited about those first steps into kindergarten will gradually ease into a school setting in this class. Intellectual, physical, and socio-emotional growth are emphasized through "hands-on" activities. Each child will be encouraged to explore their own talents through music, art, movement, language expression, and other interdisciplinary areas. Students must be enrolled to start Kindergarten in September 2018.

July 2 - July 27

8:30AM - 12:00PM

\$615

Location: FT

### **READING REVIEW**

*Grs. K - 2*

This program is for academic support which focuses on strengthening reading skills for the child who has completed **kindergarten, first, or second grade**, but may need extra support and review over the summer. Recommendation must come from the building literacy specialist and the classroom teacher.

July 2 - July 27

8:30AM - 10:00AM

\$307

READK- KINDERGARTEN READ1 - GRADE 1 READ2 - GRADE 2 Location: FT

## **ELEMENTARY: THIS PROGRAM RUNS FOR FOUR WEEKS**

July 2 - July 27

8:30AM - 12:00PM

\$615

Location: FT

**CHOOSE ONE COURSE FROM EACH SECTION**

**8:30AM - 10:15AM and 10:15AM - 12:00PM**

**USE GRADE COMPLETED IN 2017- 2018 TO SELECT PROGRAM**

### **EL03 SUMMER NATURE SCIENCE**

*Grs. K - 2*

Have your child practice using STEM skills this Summer during our Summer Nature Science Program. Your student will study the water cycle, weather, gardening, and the beach habitat! All while utilizing arts and crafts, experiments, and the outdoors. Sub topics include, sink and floating, coral reefs, thunder storms, soil, veggie/flower garden, and important bugs!

### **EL04 ART-RAGEOUS**

*Grs. K - 2*

This summer course can bring out the artist in everyone. Imagine your child spending time creating in a variety of ways. We will explore drawing, painting, sculpting, and much more. Each child will listen to music and enjoy stories that will foster creativity. we will feature a different artistic theme each week!

**EL05 SHARPEN YOUR SKILLS****Grs. 1 - 2**

Get ready for the school year ahead. Review skills from grade completed and explore the areas of math, reading, and writing. We'll read, practice phonics, do journal writing, listen to read alouds, and use math manipulatives to enhance the learning. Come along and join the fun!

**EL06 CREATIVE COOKING****Grs. K - 5**

The best part of this course is eating the results! Children experience a variety of regional and international dishes, along with theme days created by the students. The students learn how to cook simple meals, clean up, read recipes, measure liquid and dry ingredients and enjoy literature related to what they are cooking.

**EL07 POWER UP!****Grs. K - 5**

A STEM class filled with ENERGY and resourceful ideas as we examine how wind, solar and electricity can POWER different contraptions we build. Let's power up building projects such as windmill, landsailer, dragster, rockets, and watch them go, spin and fly!  
to what they are cooking.

**EL08 SUMMER WRITING WORKSHOP****Grs. 3 - 5**

What is your opinion? Using the workshop approach, students will write, edit, revise, and share their original opinion pieces with peers. We will foster student-centered writing and collaboration in a supportive environment.

**10:15AM - 12:00PM****EL135 MINDFULNESS, EMOTIONS, AND WORKING TOGETHER****Grs. K - 2**

Have your child practice using their emotions and mindfulness to increase their productivity and cooperativeness at home and school. During this 4 week program students will practice feelings vocabulary, emotional regulation, problem solving skills, yoga and meditation, art therapy, behaviors in different community settings, service towards others, music and movement. All while using supportive rich text selection and in a supportive learning environment.

**EL136 OUR WONDERFUL WORLD****Grs. K - 3**

Summer doesn't have to bring our science explorations to an end. Students learn about our fascinating world through fun-filled experiments. They naturally seek to understand the phenomena that exists everywhere around them. We will explore nature through scientific processes and will investigate weather patterns, seasons, plants, soil, matter, and people and nutrition.

**EL137 CREATIVE COOKING****Grs. K - 5**

The best part of this course is eating the results! Children experience a variety of regional and international dishes, along with theme days created by the students. The students learn how to cook simple meals, and clean up. Students learn how to read recipes and how to measure liquid and dry ingredients and enjoy literature related to what they are cooking.

**EL138 CALLING ALL WRITERS!!!****Grs. 1 - 2**

Would you like to write about being an expert at riding a bike or making a jelly sandwich? "How to" writing will teach you writing in an exciting way. Would you like to research and write about a favorite animal like sharks or cats?"All About" books will help you share what you know about a favorite topic. If you want to write all kinds of informational pieces, this is the course for you!!!

**EL139 BUILDING, CODE, LEARN = FUN****Grs. 2 - 5**

This is the ultimate Lego experience! Lego building projects such as construction crane, dump truck, elevator are brought to life thru basic coding using computer software

**EL140 SUNSHINE AND READING****Grs. 3 - 5**

Come and join the fun and READ. Maybe it is in a chair or under a tree or relaxing in a corner. Show your creative side by making a fun way to tell us about your book.

**EL141 ART SPACE****Grs. 3 - 5**

Let your child unlock their artistic potential. They will develop skills while designing unique creations, using a variety of materials. We will explore imaginative projects where hands get messy and creativity gets expressed!!

<b>ENRICHMENT CAMPS</b>
<b>USE GRADE COMPLETED IN 2017 - 2018 WHEN SELECTING PROGRAM</b>

**SIGN LANGUAGE FOR FUN***Donishe Uhrlass***Grs. 4 - 6**

Learn the basics of sign language: names, greetings, alphabet, counting, basic vocabulary, and conversation practice. Students will learn the basics of communicating through sign language.

**EC01      June 25 - June 29      8:30AM - 11:30AM      \$190      Location: THS**

**LADYBUGS***Millie Velazquez***Grs. K - 2**

Ladybugs wanted and you have been spotted to join in a week filled with, music, science, games, a craft each day, and more. Come spread your wings and fly!

**EC02      July 2 - July 6      8:30AM - 12:00PM      \$170      Location: FT**

**LEGO ARCHITECTURE***Marc Wilson***Grs. K - 4**

Using LEGO Architecture building sets, students will be exposed to the world of architectural engineering. Students will learn about landmark buildings from across the country and around the world, then put their creative skills to the test as they draw up their own blueprints. We will discuss such topics as scale and proportion and their relation to engineering.

**EC03      July 2 - July 6      8:30AM - 12:00PM      \$170      Location: FT**

**I AM AN AMERICAN GIRL***Laura Bossio***Grs. K - 4**

Explore the lives of your favorite American Girls, both past and present, as we play games, read books, and create fun crafts. While embracing our own talents and hobbies, we'll discover and share all of the great qualities, dreams, and attributes that make us amazing American Girls!

**EC04      July 2 - July 6      8:30AM - 12:00PM      \$170      Location: FT**

**FARMING FOR FUN***Melissa Cunningham / Lauren Bspuda***Grs. 1 - 6**

Bunnies and horses, chickens and sheep... and us, too – we all need to eat! Learn how to feed and care for the animals at the Trumbull Agriscience Farm while experiencing firsthand where we get our food and clothing.

**EC05      July 2 - July 6      8:30AM - 12:00PM      \$170      Location: AGRI**

**LEGO ROBOTICS***Computer Explorers***Grs. 2 - 5**

This provides wonderful hands-on opportunities for the students to experiment and learn about the fundamentals of robotics, construction, and computer programming. We will be using the all-time familiar Lego bricks to build around a micro computer and WeDo 2.0 computer software to bring the robot to life!

**EC06      July 2 - July 6      8:30AM - 11:30AM      \$170      Location: THS**

**GET READY FOR A COOL 3D ADVENTURE!***Joe Fiore***Grs. 3 - 5**

Bring your stories to life on the computer! Write and publish your own graphic-novel style stories. Explorers will use Powtoon, Storymaker, Google slides, and a variety of other software to bring their stories to life! Then, we'll add some paper engineering, too! Learn origami, paper rockets, action figures, and more. Come join the fun!

**EC07      July 2 - July 13      8:30AM - 12:00PM      \$365      Location: FT**

***I AM AN AMERICAN GIRL***     *Laura Bossio*     **Grs. K - 4**  
 Explore the lives of your favorite American Girls, both past and present, as we play games, read books, and create fun crafts. While embracing our own talents and hobbies, we'll discover and share all of the great qualities, dreams, and attributes that make us amazing American Girls!  
**EC08**     **July 9- July 13**     **8:30AM - 12:00PM**     **\$195**     **Location: FT**

***LEGO ARCHITECTURE***     *Marc Wilson*     **Grs. K - 4**  
 Using LEGO Architecture building sets, students will be exposed to the world of architectural engineering. Students will learn about landmark buildings from across the country and around the world, then put their creative skills to the test as they draw up their own blueprints as we discuss such topics as scale and proportion and their relation to engineering.  
**EC09**     **July 9 - July 13**     **8:30AM - 12:00PM**     **\$195**     **Location: FT**

***A "FAIRY" COOL SUMMER***     *Renee Mallozzi*     **Grs. K - 4**  
 The wonderful and mystical world of fairies awaits! We will learn all about fairies through stories by Tracy Kane. Have you ever wondered where fairies live, what they like to do, wear, or eat? We'll learn how to make fairy houses and fairy gardens as we spend time in the outdoors exploring the fairy world. We'll read books, write stories, and play games that any fairy would enjoy. Imagination is "fairy" important...we hope you'll join us!  
**EC10**     **July 9 - July 13**     **8:30AM - 12:00PM**     **\$195**     **Location: FT**

***CREATIVE CRAFTS***     *Bree Ann Prezioso*     **Grs. K - 5**  
 Celebrate summer by engaging in exciting arts and crafts designed for children at all skill levels (beginner-advanced). Each day will have a special theme, or "Sea Creatures, Summer Bugs, Boats and Floats, Pirates and Mermaids, and Ocean Thrills". Art activities include drawing, painting, designing summer themed projects, and creating a "book about me". Children will bring home the projects they design during class.  
**EC11**     **July 9 - July 13**     **8:30AM - 12:00PM**     **\$195**     **Location: FT**

***DANCE DANCE DANCE!!***     *Katie Laird*     **Grs. K - 5**  
 Girls who are interested in learning different genres of dance. This energetic week of music and movement will teach students various dance styles including ballet, lyrical, jazz, musical theatre, and hip hop! Students will learn how to stretch properly before and at the end of dance class and they will learn 3 routines using popular music to perform at the end of the week for parents. Students should dress comfortably and bring dance shoes or sneakers. Come join the fun!  
**EC12**     **July 9 - July 13**     **8:30AM - 12:00PM**     **\$195**     **Location: FT**

***FARMING FOR FUN***     *Melissa Cunningham / Lauren Bspuda*     **Grs. 1 - 6**  
 Bunnies and horses, chickens and sheep... and us, too – we all need to eat! Learn how to feed and care for the animals at the Trumbull Agriscience Farm while experiencing firsthand where we get our food and clothing.  
**EC13**     **July 9 - July 13**     **8:30AM - 12:00PM**     **\$195**     **Location: AGRI**

***MINECRAFT SPACE ADVENTURE***     *Computer Explorers*     **Grs 2 - 5**  
 A fun and engaging camp where kids learn to problem solve in a role playing MOD. We learn to manage resources and build our own space stations to survive in deep space. In a STAR WARS inspired story, we suit up as Jedi to rescue hostages off a planet, and disable the Empire's mother ship on route to meet up with the Resistance!  
**EC14**     **July 9 - July 13**     **8:30AM- 11:30AM**     **\$195**     **Location: THS**

***LIGHTS, CAMERA, ACTION***     *Larry Stowe*     **Grs. 4 - 6**  
 You can be a part of a Super Hero Movie! Every student will get to act in front of the camera, use a slate to help set the scenes, and possibly run the camera as well. We teach students the basics of film-making. Guests attend the Grand Premiere on the last day. All students receive a copy of the movie. Space is limited to 20 students.  
**EC15**     **July 9 - July 27**     **8:30AM -12:00PM**     **\$585**     **Location: FT**

**KNITTING** *Gail Ginsberg***Grs. 4 - 5**

In this knitting class, I'll teach you the basics of hand knitting. Whether you're an absolute novice or you want to refresh some rusty skills, this beginner class will get you going! Basic skills to include casting on, knit stitch, purl stitch and binding off. Once skills are achieved, you will be able to make a scarf or a headband. You'll become familiar with the language of knitting patterns and gain the confidence to seek out new knitting projects on your own. Size 8 knitting needles needed for class. Class size limited to 10, register early. Please bring in a Size 8 knitting needles.

**EC16**      **July 9 - July 13**      **8:30AM -12:00PM**      **\$195**      **Location: FT**

**BEADING BUDDIES** *Bree Ann Prezioso***Grs K - 5**

Come join us for exciting activities with vibrant beads! You can choose using the beads to make wind chimes, bird feeders, bracelets, necklaces, decorate sea shells, and design castles. There will also be a beading station to design your own creation with iron-on beads! Special themes daily including: Under the Sea, Ocean Adventure, Sand Castles, Busy Birds, and Backyard Fun.

**EC17**      **July 16 - July 20**      **8:30AM - 12:00PM**      **\$195**      **Location: FT**

**FANCY NANCY** *Millie Velazquez***Grs. 1 - 2**

Enter the world of Fancy Nancy books where everything is fancy, including the words. Come along and experience being "fancy" through the Fancy Nancy books. We'll read and be fancy the entire week!

**EC18**      **July 16 - July 20**      **8:30AM - 12:00PM**      **\$195**      **Location: FT**

**FARMING FOR FUN** *Melissa Cunningham / Lauren Bspuda***Grs. 1 - 6**

Bunnies and horses, chickens and sheep... and us, too – we all need to eat! Learn how to feed and care for the animals at the Trumbull Agriscience Farm while experiencing firsthand where we get our food and clothing.

**EC19**      **July 16 - July 20**      **8:30AM - 12:00PM**      **\$195**      **Location: AGRI**

**PET CARE** *Laura Bossio***Grs. 2 - 4**

Come join us to learn about taking care of all different types of pets. You'll discover all kinds of interesting information about furry, feathery, and scaly pets while having fun. Enjoy crafts and stories and games, but don't worry if you're allergic because real live pets will not be invited!

**EC20**      **July 16 - July 20**      **8:30AM - 12:00PM**      **\$195**      **Location: FTS**

**MINECRAFT ADVENTURE** *Computer Explorers***Grs. K - 4**

Minecraft is an educational gem. Using developmentally appropriate activities, students learn and master the underlying mechanics of the game. From treasure quests to travel expeditions to building challenges and more, students work in groups within a collaborative virtual world, a MOD built on a closed and safe MinecraftEdu server.

**EC21**      **July 16- July 20**      **8:30AM - 12:00PM**      **\$195**      **Location: FT**

**STRING ART AND BOARD AND PAINT** *Renee Mallozzi***Grs. 3 - 5**

Did you know multiple straight lines of string can form shapes ranging from simple curves to more complex designs resembling letters or flowers? String art combines math and art through the use of colored string to create geometric patterns. Board and paint allows you to let your creativity shine as you stain and stencil a unique masterpiece. Get ready to roll your sleeves up to create a custom design string art and a custom wood sign that you can use as décor pieces for your bedroom. Limit of 15

**EC22**      **July 16 - July 20**      **8:30AM - 12:00PM**      **\$195**      **Location: FT**

**GET READY FOR A COOL 3D ADVENTURE!** *Joe Fiore***Grs. 3 - 5**

Bring your stories to life on the computer! Write and publish your own graphic-novel style stories. Explorers will use Powtoon, Storymaker, Google slides, and a variety of other software to bring their stories to life! Then, we'll add some paper engineering, too! Learn origami, paper rockets, action figures, and more. Come join the fun!

**EC23**      **July 16 - July 27**      **8:30AM - 12:00PM**      **\$390**      **Location: FT**

**DRAWING AND PAINTING** Kathleen Durand

**Grs. 5 - 8**

This is a great time to hang out with other artists your age and create unique works of art! Using colored pencils, watercolors and acrylic paint, be inspired by nature, famous artists, and your imagination.

**EC24 July 16 - July 20 8:30AM - 12:00PM \$195 Location: THS**

**VIDEO ANIMATION GAMING** Computer Explorers

**Grs. 3 - 7**

Students will be using the software program “Scratch” developed by MIT Media Institute to create animation, music, videos, Pacman-like video games and more. Creations from this class along with a copy of this software will be sent home so students can continue to have fun!

**EC25 July 23 - July 27 8:30AM - 11: 30AM \$195 Location: THS**

**DINOSAURS** Millie Velazquez

**Grs. K - 2**

Enter the world of DINOSAURS! Become a Paleontologist for a week of adventure through crafts, music, art, stories, science! ROAR!!!

**EC26 July 23 - July 27 8:30AM - 12:00PM \$195 Location: FT**

**GIRLS INC – THE SCIENCE OF SPORTS**

**Grs 1 - 5**

Girls Inc is bringing the Science of Sports to Trumbull. Learn about the physics of sports, how your muscles, heart and lungs work, and understand sports tech. We will keep mind and body active! Girls Inc.: Inspiring all girls to be Strong, Smart, and Bold.

**EC27 July 23 - July 27 8:30AM - 12:00PM \$195 Location: THS**

**FARMING FOR FUN** Melissa Cunningham / Lauren Bspuda

**Grs. 1 - 6**

Bunnies and horses, chickens and sheep... and us, too – we all need to eat! Learn how to feed and care for the animals at the Trumbull Agriscience Farm while experiencing firsthand where we get our food and clothing.

**EC28 July 23 - July 27 8:30AM - 12:00PM \$195 Location: AGRI**

**COMPUTER CODING IN MINECRAFT** Computer Explorers

**Grs. 3 - 7**

This class is more than just “mining” and “crafting” in Minecraft. Students will conceptualize, design, and learn how to create MODs and modify the game using JAVA. This is for students who have good listening skills and interested in computer programming.

**EC29 July 30 - August 3 8:30AM - 11:30AM \$195 Location: THS**

**CODING AND BLOCKCHAINS WITH RASPBERRY PI** Cenk Erdil

**Grs. 6 - 10**

Students will expand their coding skills, while analyzing data and reasoning decision making. They will design and implement mobile apps that can run on a smartphone. The main focus will be on problem solving skills and dealing with data. Students will also configure a raspberry pi minicomputer to participate on a storage blockchain and compete in class to collect the most coins.

**EC30 July 30 - August 3 8:30AM - 12:00PM \$195 Location: THS**

## **BOYS BASKETBALL**

**Grs. 2 - 9**

*Instructor: Head Coach Buddy Bray, Head J.V. Coach Matt Landin, Head Coach MMS John Capello, Phil Pacelli, and Varsity Assistant Coach, Foran High School Joe Gill*

This camp will help players of all ages and abilities learn about the great game of basketball and develop fundamental basketball skills. Campers will build skills through basketball stations, lectures, games, and a variety of competitions and basketball contests.

SC06	Grs. 2 - 4	June 25 - June 29	8:30AM - 11:30AM	\$180
SC07	Grs. 5 - 9	June 25 - June 29	12:00PM - 3:00PM	\$180
SC08	Grs. 2 - 4	July 2 - July 6	8:30AM - 11:30AM	\$150
SC09	Grs. 5 - 9	July 2 - July 6	12:00PM - 3:00PM	\$150
SC10	Grs. 2 - 4	July 9 - July 13	8:30AM - 11:30AM	\$180
SC11	Grs. 5 - 9	July 9 - July 13	12:00PM - 3:00PM	\$180

**Location: THS Gym**

## **CHEERLEADING**

**Grs. 1 - 8**

*Instructor: Jane Marella*

The campers will learn the basics to intermediate movements in cheerleading. They will also learn how to stunt, tumble, cheer, dance, and jump. On the last day, the campers do a performance for their parents, families, and friends. Each camper cheerleader should come prepared with water and a small snack (nut free). Wear shorts, a t-shirt, and light weight sneakers.

SC12		July 9 - July 13	8:30AM - 11:30AM	\$180
------	--	------------------	------------------	-------

**Location - Commons**

## **BASEBALL**

**Grs 3 - 9**

*Instructors: Head Coach Phil Pacelli and Assistant Coach Buddy Bray*

Trumbull Eagles Baseball Camp provides campers with the opportunity to learn the fundamentals of the game, including hitting, fielding, pitching, catching, and base running. Campers will participate in daily drills and games. Come have fun and learn from the THS coaching staff and members of the THS baseball program.

SC13		July 16 - July 20	8:30AM - 12:00PM	\$200
SC14		July 23 - July 27	8:30AM - 12:00PM	\$200

**Location: THS Field**

## **GOLF**

**Grs. 3 - 9**

*Instructors: Coach Kevin Maurutis & Coach Buddy Bray*

This camp will provide an introduction and solid foundation of the game of golf. Campers will learn rules of the game, proper grip, putting, chipping, fundamentals of a proper swing with practical application of all things learned. Equipment will be provided however campers are encouraged to bring their own for proper fitting.

SC15		July 16 - July 20	12:00PM - 3:00PM	\$180
------	--	-------------------	------------------	-------

**Location: THS Campus/Gym**

## **TRACK AND FIELD**

**Grs. 3 - 8**

*Instructors: Jim McCaffrey and Jeff Klein*

Like to run around? To jump? To see how fast you can go? This camp is all about an introduction to track and field as well as cross country running for beginners and those who have already tried some races on their own. Campers will come away with an idea of the basics of the sport, do some basic training, and have a chance to participate in some fun competition.

SC16		July 16 - July 20	9:00AM - 12:00PM	\$180
------	--	-------------------	------------------	-------

**Location: THS Field**

## **WRESTLING**

**Grs. 4 - 12**

*Instructor: Charlie Anderson*

Ever wonder what makes some of the Connecticut's wrestling teams so good year in and year out? This camp will answer those questions. Each day we will bring in a coach from one of the top wrestling programs in the state. They will discuss their philosophy of training, wrestling, and show some of their signature techniques. Want to get better? Learn from the best.

SC17	July 16 - July 20	8:30AM - 3:00PM		\$195
SC18	July 16 - July 20	8:30AM - 11:30AM		\$100
SC19	July 16 - July 20	12:30AM - 3:30PM		\$100

**Location: THS Gym**

## **GIRLS BASKETBALL**

**Grs. 1 - 9**

*Instructor: Steve Tobitsch*

Trumbull High School Girls Varsity Head Coach Steve Tobitsch along with special guest coaches and current and former Trumbull Girls Basketball players will be running their annual Lady Eagle Summer Basketball Camp. Take your game to the next level! Personalized instruction and skill development will focus on ball handling, passing, rebounding, defense, and shooting. Campers will also be introduced to five-on-five competition with ample time for individual contests and fun games.

SC20	July 23 - July 27	8:30AM - 11:30AM	Grs. 1 - 5	\$180
SC21	July 23 - July 27	12:00AM - 3:00PM	Grs. 6 - 9	\$180

**Location: THS Gym**

## **FIELD HOCKEY**

**Grs. 4 - 8**

*Instructor: Colleen Filush*

The camp will be instructed by members of the Trumbull High School Field Hockey coaching staff and supported by current THS players. Camp is open to players of all ages/abilities. Players will be grouped according to ability level, but will have the opportunity to interact with all campers. The objective of the camp is to teach and refine skills and knowledge of the game as well as to stress sportsmanship, teamwork, and game play. Players will need to provide their own equipment (sticks, shin guards, mouth guard, water, eyewear).

SC22	July 30 - August 3	8:30AM - 11:00AM		\$155
------	--------------------	------------------	--	-------

**Location: THS Field**

## **VOLLEYBALL**

**Grs. 3 - 9**

*Instructors: Buddy Bray and Varsity Assistant Coach Tom Zultowski*

This camp is an organized program for boys and girls from beginner to advanced players. Campers will learn the basic fundamental skills of volleyball. Athletes will learn how to pass, set, spike, dig, and serve. Progressive drills and mini-games will be used to help give athletes a good understanding of volleyball.

SC23	July 30 - August 3	8:30AM - 12:00PM		\$200
------	--------------------	------------------	--	-------

**Location: THS Gym**

## **TENNIS**

**Grs. 2 - 6**

*Instructor: Vanessa Pardo*

The summer Tennis Camp is directed by Vanessa Pardo, former professional tour player, founder of Le Tennis Academy and USTA Board of Directors for Youth and High Performance Development. The camp will focus on many aspects of the game to form a solid foundation for tennis. All the basic strokes will be taught in drills and game situation and develop scanning, tracking, and focusing which will benefit tennis but also other ball sports. Each practice will emphasize tennis conditioning, hand-eye coordination, technique, consistency, and patterns used in singles and doubles situation. Players will be divided into groups based on their age and ability. We will be using the 10 and Under format for our younger player. We require that each participant bring their own racquet. Please bring a peanut free snack and water bottle.

SC24	July 9 - July 13	9:00AM - 12:00PM		\$195
SC25	July 30 - August 3	9:00AM - 12:00PM		\$195

**Location: Tennis Courts**

## SAT

### **S.A.T. ENGLISH** *Hope Spalla*

**Grs. 11 - 12**

In this prep course, students will acquire various active reading strategies in order to effectively answer reading questions in a timed setting. Instruction will be given on the most common grammar and usage rules that are tested on the writing portion of the exam.

**SAT01**      **July 9 - July 13**      **8:00AM - 10:00AM**      **\$275**      **Location: THS**

### **S.A.T. MATH** *Brian Smith*

**Grs. 11 - 12**

Students will learn specific time management strategies, gain exposure to the format of the non-calculator and calculator sections, and review important mathematics content and skills assessed on the four domains of the math SAT.

**SAT02**      **July 9 - July 13**      **10:15AM - 12:15PM**      **\$275**      **Location: THS**

## HIGH SCHOOL ACADEMIC RECOVERY

**MAKE UP** courses are for students Grades 9 - 12 who have taken a course and have not completed it successfully. Credit will be given to students who previously failed the course during the regular school year. **Credit will not be given when the course is audited. Make Up courses will be offered based on sufficient enrollment and instructor availability; the listing of a course here does not necessarily indicate that it will be offered this summer. Final decisions on course offerings will be made by June 26 and posted on our website, [www.trumbullcted.org](http://www.trumbullcted.org).**

**FULL Credit courses : July 2 - August 3.    HALF Credit courses: July 2 - July 18.  
7:45AM - 10:00AM or 10:15AM - 12:30PM    Location: THS Learning Commons**
